HOURS: 8:00 am – 5:00 pm

SERVICES: Plans, funds and coordinates long-term care services, programs, and opportunities for older adults age 60 and older in Delaware, Fairfield, Fayette, Franklin, Licking, Madison, Pickaway and Union Counties. Provides technical assistance for development of new or existing services, programs, organizations, and events. Operates PASSPORT, a Medicaid Waiver program. PASSPORT provides in-home and community-based services for adults age 60 and older as an alternative to care in a nursing facility. Call 614-645-7250 or 1-800-589-7277 for intake. Operates the Assisted Living Waiver, a Medicaid program, which pays for the cost of care in an assisted living facility for adults age 21 and older. Call 614-645-7250 or 1-800-589-7277 for intake. Administers Title III Older Americans Act programming in the 8-county service area. This federal funding is granted to agencies in the counties to be used for services such as home-delivered meals, home repair, transportation, and home care services. Administers the National Family Caregiver Support Program which provides short-term respite services and limited financial assistance to address emergency caregiver needs, to unpaid individuals caring for loved ones age 60 and older. Services are provided via

county partner agencies. The local access point for the program is the Pickaway County Senior Center. Contact the Center Director, Cynthia Love for intake. The National Family Caregiver Support Program also provides information and referral, care consultation, and education to those caring for loved ones of any age. Provides care coordination for the Ohio Home Care Waiver. This Medicaid program provides in-home and community-based services for children as well as adults under age 60 as an alternative to care in a nursing facility. Contact the Pickaway County Department of Job and Family Services for initial eligibility screening. Provides free Long-term Care Assessments to individuals of any age. Call 614-645-7250 or 1-800-589-7277 to schedule. Provides free educational workshops for community groups, 1-1.5 hours. "Healthy Well and Wise" series includes health and aging topics. "The Caregiver Toolbox: Guide to Independent Living" includes topics to help families and friends who are providing care, or planning to provide care for a loved one. Provides free Medicare workshops: "Medicare for Beginners", "Medicare Fraud, Error and Abuse", "Medicare Part D (Prescriptions)". Presents "Health U", a free six-week workshop series to help participants learn proven strategies to manage chronic health conditions. Training also provided for trainers to lead community workshops. Free publications include: Central Ohio Older Adult Resource Guide, The Caregiver Toolbox, Independent Housing Guide, Long Term Care & Hospice Guide, Private Homecare Guide, Transportation Guide, Utility Assistance Guide, Prescription Assistance Guide, Support Group Guide, Books, Videos and Websites for Family Caregivers. All are available at www.coaaa.org or call to request a copy. Operates the Volunteer Guardian Program which trains and matches volunteers who become the "Guardian of the Person Only" or substitute decision maker for individuals age 18 and older who have no money, no family support and whose ability to make personal and medical decisions has diminished. The program mainly serves those who reside in nursing homes, assisted living facilities, and group homes in Pickaway County. However, the program is not limited to serving individuals in a protective setting. No financial services are offered.

WEBSITE: www.pickawayfamilyandchildrenfirst.org

HOURS: Monday-Friday 8:00-4:00

SERVICES:

Council: Pickaway County Family and Children Council collaborates with community agencies to assure that services are available to children and families in need of assistance. The Council applies the knowledge and experience of families and professional helpers in the planning, development, and implementation of community based, least restrictive programs/services and resources to meet the needs of children and families in the community. The Council strives to develop culturally sensitive and cost effective community programming with strong parental involvement. Through this collaboration of public and private service agencies, Council is able to serve the children and families of our community most effectively.

TEAM for Youth: When a community agency, school or parent identifies that their child has multiple system needs and could benefit from an individualized coordinated TEAM. The TEAM is parent driven, they identify who they would like to have which as a part of their families TEAM. Parents will have help in developing their family plans through a collaborative process which builds on their strengths, to enable them to achieve their desired goals. TEAM for Youth's focus is on building natural resources and empowering parents to help their children succeed in school and life. There is limited funding available and is expended based on severity of need.

ELIGIBILITY: Families of multi-system children from the age of birth to 21 yrs of age **FEES:** none **OTHER DETAILS:** Established by Pickaway Family and Children First Council to help families with multi need children receive adequate and appropriate services.

Parent Advisory Support Group:

Parents are invited to participate in Council meetings and serve as valuable resources for the system partners in the community who serve families and children. ELIGIBILITY: Parents of children with special needs, parents of children with exceptional talents and skills, parent of typical children, grandparents raising grandchildren, foster parents, adoptive parents, and other members of the community who have a strong interest and commitment to families and children. Established by Pickaway County Family and Children First Council to receive input from parents on the needs of families in Pickaway County. The group also serves as a resource for information and support for other parents in the community with similar concerns.

Early Childhood Collaborating Committee:

SERVICES: Collaboration and coordination of programs that serve birth – 5 yrs of age OTHER DETAILS: The group meets four times a year to coordinate services and offer a comprehensive network of services for Pickaway County families and their children birth to school age.

Teen Task Force:

Teen Task Force is a sub committee of Council. The Task Force meets monthly to assess the needs of teens in the community and advocate to meet these needs.

NAME: GROUPS Recover Together

ADDRESS: 319 Logan Street Circleville Ohio 43113

PHONE: 740-480-1653; new members 800-683-8313

EMAIL: info@joiningroups.com

WEBSITE: joininggroups.com/ohio

HOURS: Mon-by appointment; Tues-closed; Wed- 9:00-4:00; Thurs-9:00-7:00; Fri-closed

SERVICES: If you want to regain control of your life, you've come to the right place. Groups is a community of physicians, counselors and recovering opiate users whom you can rely on for affordable and convenient help. Everything we do is based on the best medical science. Our treatment community provides medication (Suboxone) and weekly therapy sessions with other people recovering from opiates. While such medication should typically be used for 18-24 months, the community at Groups is for life. We're here for you 24/7. Call (800) 683 8313 or text "recovery" to 313131 to join Groups.

FEES: We provide effective and affordable treatment to recover from opiate use. We are committed to ensuring that cost is not a barrier for anyone to access the care they need. We currently accept a variety of commercial insurance plans and are working towards accepting Medicaid. If you would like to find out if your insurance plan is accepted, please reach out to us at 800-683-8313. For those without insurance, we have developed a discounted private pay fee. For an affordable weekly fee you can get the therapy and medication you need to regain control over your life. The intake assessment is the same price. You will never be asked to pay for drug screens, extra appointments or other additional services. Our price does not include the cost of medication. If you have any form of insurance, we will file prior authorization so the cost of your medication will be covered. If you do not have insurance, medication typically costs \$45-50 per week.

EDUCATION PROGRAMS: The Pickaway County Office of Ohio State University Extension is an outreach of The Ohio State University Educational programs include:

4-H Youth Development:

Programs in Pickaway County emphasize the development of life skills and leadership skills in the youth exploration, relationship enhancement, decision making, and self esteem. Over 200 projects with focuses on the environment; the economy; leadership; family, individual and youth development. Our practical educational programs are based on the needs of local communities, new research results and technical information. 40 clubs in the county meet from January – September.

Agriculture and Natural Resources:

Education in areas such as farm business management, efficient livestock and crop production, water quality, conservation of our natural resources, safe management of pesticides and fertilizer, home and urban horticulture and related subjects.

Family & Consumer Sciences:

Our program area focuses on improving family well-being through education in a variety of areas including personal development, healthy relationships, aging, fall prevention, mindfulness, food safety and security, health and wellness, nutrition, diabetes, financial stability and budgeting, food preservation, and employment success. Programs are offered to the community and community partners.

Community Development:

Link the county, schools and businesses with resources of Ohio State University in areas including economic development, leadership education, and STEM (Science, Technology, Engineering, and Math) Education.

SNAP-Ed Program:

SNAP-ED is the nutrition education part of the SNAP or Food Assistance-in Ohio. SNAP-ED programs help participants to: Make healthy food choices, Balance a healthy diet with a physical activity, Stretch food dollars and Keep food safe.

Ohio SNAP-ED can show you and your family how to eat healthier and be more active, even on a limited budget. You will learn how to choose and prepare foods to improve the quality of your meals. Lessons go hand-in-hand with the Dietary Guidelines for Americans and USDA's My Plate. Our programs focus on helping you eat smart, live strong, and save money.

Master Gardener Program:

Provides intensive training in horticulture to interested gardeners who then volunteer their time assisting with educational programs and activities. Master Gardeners provide educational services such as: answering gardening questions from the public; conducting plant clinics; beautifying the community; developing community or demonstration gardens; and other horticultural activities.

COMMUNITY SERVICES PROGRAMS

****Emergency Food & Shelter***

This program provides assistance to eligible clients for up to a one-month past-due rent amount, one month (or up to \$100) past-due utility payment or an emergency hotel stay. Funds are usually available beginning in March or April of each year for this one-time payment. The Emergency Food and Shelter Program was established in 1983, with legislation that created a National Board, chaired by the Federal Emergency Management Agency (FEMA) consisting of representatives from the American Red Cross, Catholic Charities USA, The Jewish Federations of North America, National Council of the Churches of Christ in the USA, The Salvation Army and United Way Worldwide.

****Free Tax Clinic***

Provides free tax preparation services for people who qualify (Adjusted Gross Income (AGI) of less than \$51,000.00 per year). The free tax clinic ensures that low-wage workers receive the Earned Income Tax Credit (EITC)

and other credits due to them, which enables them to build assets and maintain financial stability. PICCA provides an Ohio Benefit Bank Coordinator and trained counselors to assist eligible customers FREE of charge for tax preparation services.

****Goodwill Voucher Program***

The Community donates items to Goodwill in the name of PICCA. Goodwill then tracks all the donations they receive designated for PICCA and sends PICCA vouchers to spend in the store for merchandise. PICCA staff distributes the vouchers to low or no income individuals and families that are in need. The revenue from your tax-deductible donations helps people in the community get jobs. The jobs and direct client assistance help the community.

****Homeless Crisis Response Program (HCRP)***

The HCRP was established to better meet the needs of Ohio's homeless persons. This program provides emergency housing to rapidly move persons from emergency shelter into permanent housing. A caseworker can help you complete the required documentation to determine eligibility. Applicants must provide verification for the past 13 weeks of income for all household members and verification of homelessness to ensure being able to meet the eligibility requirement, which is at or below 30% of area median income(AMI). Once you are determined eligible, the case worker will coordinate payment to the landlord, mortgage holder or utility provider.

****Home Energy Assistance Program (HEAP)***

HEAP allows eligible clients (175% Federal Poverty guidelines) a one-time utility payment. The Winter Crisis program typically runs from November 1 to March 31 each year. If you are eligible for assistance, the amount of your one-time HEAP benefit will depend on federal funding levels, how many people live with you, total household income, and the primary fuel you use to heat your home. In most cases, the one-time benefit will be a credit applied to your energy bill by your utility company (or fuel vendor). A household applying for HEAP must report total gross household income for the past 12 months for all members except those under the age of 18 years old. The Summer HEAP Crisis program for eligible clients runs from July 1 to August 31. The Summer Crisis program has age and disability eligibility criteria, which may vary from year to year.

****Ohio Benefit Bank***

Provide screening for benefits including Food Assistance Program, Medical Card, Childcare Subsidy, WIC, Earned Income Tax Credit, and others.

**** Percentage of Income Payment Plan Plus (PIPP Plus)***

Percentage of Income Payment Plan, PIPP Plus, helps make monthly payments more affordable on a year-round basis. When PIPP Plus payments are made on time and in full, customers earn an incentive credit and a credit for past-due amounts. Each time you pay your required monthly payment on time and in full, you no longer owe the rest of that month's billed amount. You also receive a 1/24 credit toward any old debt. If you make full, on-time payments for 24 straight months, all of your past-due amounts will be eliminated. Households with a gross yearly household income at or below 150 percent of the federal poverty guidelines are eligible to participate in PIPP Plus.

****Prevention, Retention, Contingency (PRC)***

The Prevention, Retention and Contingency (PRC) program is a critical tool for Ohio counties to provide benefits and services needed to overcome immediate barriers to help families become and stay self-sufficient. The PRC program provides for nonrecurring, short-term, crisis-oriented benefits and ongoing services that are directly related to one of the four purposes of the Temporary Assistance for Needy Families (TANF) program. The services and benefits provided under the PRC program fall into three categories:

Prevention services: designed to divert families from ongoing cash assistance by providing short-term non-assistance. Retention services: provided to assist an employed member of the family in maintaining employment. Contingency services: provided to meet an emergent need, which, if not met, threatens the safety, health or well-being of one or more family members.

****PUPP - Pickaway United Pantries Program*** - Fresh Produce Distribution Free produce is distributed twice a month to Pickaway County residents. The pickup dates are the second and fourth Thursday of each month at the following locations and times:

Circleville - PICCA, 469 E. Ohio Street at 10AM

Derby - Derby United Methodist Church, 11792 London Road at 4PM

Darbyville - Darbyville Community & Technology Center, 11697 West Street at 4 PM

Williamsport - Deercreek Township Office, 201 S. Main Street at 11AM

Ashville - First English Lutheran Church, 24 Long Street - at 11:30AM

Tarleton - call for location and time

Recipients are asked to bring bags and totes to collect the produce.

****Representative Payee Services***

As a Representative Payee, PICCA will be responsible for receiving the beneficiary's monthly check and to keep track of what is spent on the beneficiary's behalf deciding how benefits can best be used for his or her

personal care and well-being. For a small monthly fee, which is set by the Social Security Administration and other fixed income sources, PICCA will work with customers that receive Social Security or other fixed incomes who reside in Pickaway County to design a budget that meets his or her needs. The customers' income check is direct deposited into an interest-bearing bank account designated for PICCA Payee Services. The funds are disbursed first for shelter expenses such as rent, utilities, and food, then budgeted accordingly for other expenses the customer may have. Spending money is provided for the beneficiary, based on what the budget allows after monthly obligations have been paid. PICCA will encourage customers to develop budgeting and money management skills with the hope that some customers might eventually be able to manage their funds independently. PICCA accountants will provide bookkeeping for each beneficiary in the agency's software system. Bank statements will be checked against the software reports for accuracy.

****Toys for Tots***

Assist low-income families of Pickaway County with Christmas gifts for their children ages 1 to 14 years. Application accepted at PICCA beginning the first week of September through the third week in December.

****United Way Homeless Prevention Programs***

Serves households that are at imminent risks of becoming homeless or have recently become homeless. Households at-risk of becoming homeless and households currently homeless will be assessed by PICCA's Homeless Coordinator and scored using specific rating criteria which will determine those who are at most risk and those who have a greater chance to succeed in permanent housing with the assistance of intensive case management. Those accepted into the programs will agree to meet weekly with a case manager to set and track goals, agree to participate in home visits and agree to do what is necessary to stabilize the household. Proof of income must be provided to determine eligibility for the programs. This program assists clients with an emergency one-month past-due rent amount or, if the client is homeless, funds will be used for an emergency hotel stay while other permanent housing arrangements are being secured.

****Dental Clinic***

The PICCA Community Services Block Grant (CSBG) Emergency Dental Care Program is a program designed to assist income-eligible individuals residing in Pickaway County access emergency dental services to avert health and financial crisis as well as remove barriers to accessing or sustaining employment. ELIGIBILITY: Must fall within income guidelines. 125% poverty.

****Veterans Transitional Housing***

The purpose of this program is to promote the development and provision of supportive housing and/or services for homeless veterans. The ultimate goal is to help homeless veterans achieve residential stability, increase skill levels and/or income, and obtain greater self-determination. Through temporary housing, life-skills training, goal setting and intensive case management homeless veterans are helped to develop a more stable life. The Grant Per Diem program has six beds for single male veterans funded by the Federal Veterans Administration. The HCHV program serves as a mechanism to contract with providers of community-based residential treatment for homeless veterans. PICCA's contract with the Chillicothe VAMC has ten beds for single male veterans, three beds for single female veterans and the facilities to house four veteran families.

Services:

Center Based Option

A part-day preschool program with AM & PM classes operating Monday through Thursday, September through May following the public school calendar. A full-day program operating Monday through Thursday, August through May. Head Start is a federally funded program providing a comprehensive early education program for preschool children and their families. Children ages three to five attend centers in Circleville, Ashville, and the Westfall area. The program helps prepare children socially and academically for kindergarten. In addition, children receive speech, hearing, vision and dental screenings and follow-up support, nutritious lunches and snacks. The program encourages parent involvement. Staff and parents work as partners to meet the needs of the child. Head Start provides family support services to assist families in seeking resources. The program serves children with IEPs and coordinates with school districts to provide services.

Eligibility: Enrollment for children ages 3-5 years by August 1. Family must meet income guidelines based upon income earned for the past twelve-month period. 90% of funded slots are filled with low-income families. The remaining 10% may be filled with families who exceed the poverty guidelines. A waiting list is kept for openings that occur throughout the year. Preference is given to children with special needs.

EMPOWERMENT SERVICES

****PICCA's on the Job Training Program***

Serves to provide employment and training services to income eligible individuals who are disengaged or dislocated from school or work. In addition to the academic and construction training, participants have the opportunity to meet with a case manager on an individual basis throughout the program. Staff seeks to support participants in acquiring new skills needed to succeed in work, school, and life.

****Wheels to Work Program***

This program serves Pickaway County residents who are working or attending post-secondary education and have no vehicle in the household. Eligible Participants must save \$1,000 in an Individual Development Account (IDA) and have it matched 2:1 in order to purchase a reliable vehicle to get to and from work and/or school. This program aims to assist in obtaining stable, personal transportation to adults in Pickaway County while providing education on vehicle purchase, maintenance, and encourage saving. Eligibility: Must be income Eligible; other eligibility criteria may apply. Please call for more information or an appointment.

****Summer Lunch Program***

Free lunch served to children 18 years of age and younger at the Floyd E. Younkin Branch Library, 51 Long Street, Ashville, from June 11 thru August 9 (except July 4th)

****PiccAcademy***

Provides job and life skills, education services, connecting adults with the learning experiences and opportunities needed to succeed in everyday life and careers. *must be income eligible.

HOUSING PROGRAMS

****Rental Properties***

PICCA's Housing Program manages three low-income apartment complexes for applicants who meet income guidelines:

Ohio Heights is located at 590 East Ohio Street in Circleville and consists of 43 units. This complex has 23 two-bedroom units and 20 three-bedroom units for families meeting income guidelines.

Lincoln Heights is located at 580 Lincoln Avenue in Circleville behind Ohio Heights and consists of 20 units. The complex has 4 two-bedroom units, 7 three-bedroom units, 1 four-bedroom units as well as 8 efficiency units for families meeting income guidelines.

Prairie View Apartments is located at 99 Miller Avenue in Ashville consists of 32 units. This complex has 24 one-bedroom units and 8 two-bedroom units for families who meet income guidelines.

PICCA also owns &/or manages 14 Single Family properties throughout Circleville.

MOBILITY MANAGEMENT PROGRAM

****Mobility Management***

The goal of the mobility manager is to provide innovation in transportation options and coordination whether it is Circleville, Pickaway County or regional in scope. Whether assisting individuals, families, students, older people, and people with disabilities or low income we can find a solution to get you where you need to be. Through the Specialized Transportation

program funding PICCA's Mobility Manager is the one stop source for information, education and referral to assist in learning about and accessing community and regional transportation services provided by both Public Agencies and Private Providers.

TRANSPORTATION SERVICES

****Public Transportation Programs***

The Pickaway Area Rural Transit (PART) operates the county's public transportation system--a regional transit system that serves the City of Circleville and outlying county area. PART provides 6,000 rides per month. Presently, PART provides Point Deviation, Demand Response, Immediate Response and Columbus Shuttle. In addition, PART contracts with local schools and businesses to transport passengers to and from appointments. For more information, ask for a PART Brochure.

WEATHERIZATION & HOME REPAIR PROGRAMS

****Central Ohio Area Agency on Aging (COAAA)***

While PICCA has programs offered on income base, we also have a program offered to those age 60 and over in Pickaway County through the Central Ohio Area Agency on Aging. Services offered include repair of heating systems, plumbing systems, hot water tanks, water taps and lines, hazardous electrical systems, severely deteriorated roofs, walls, floors and doors, ramps for handicapped-accessibility; kitchen and bathroom modifications for handicapped accessibility. Some restrictions apply for mobile homes.

****Columbia Gas - Warm Choice Program***

The Warm Choice Program offers low-income Columbia Gas customers a thorough inspection of the house, providing client education, heating equipment repairs or replacement, insulation and weather-stripping and referrals to other energy programs. These services are provided free of charge to qualified customers.

****Electric Partnership Program (EPP)***

The EPP is designed to improve the electric efficiency of low-income households who participate in or are eligible for PIPP Plus (Percentage of Income Payment Plan Plus) by performing in-home audits and installing appropriate electric energy efficiency measures. Consumer education helps PIPP Plus participants get the most benefit from their electricity while learning how to reduce the amount of electricity they use. This is an integral part of the service delivery to every household. Customers who are enrolled in PIPP Plus and have high-energy use compared with other electric PIPP Plus enrollees will be contacted by an authorized provider of EPP services. The EPP is composed of two types of programs: 1.) A base load efficiency program which audits lighting, appliances and all other uses of electricity not

related to heating, and installs appropriate measures; 2.) A weatherization program for those who heat with electricity and who have high usage. This program may include adding insulation, performing heating system inspections and addressing health and safety measures. Each program includes an education component. This component varies in intensity on the PIPP Plus customer's electric consumption and other factors. Education focuses on how much energy home devices use and actions the customer can take to reduce this usage

****Housing Assistance Grant Program (HAGP)***

HAGP - Housing Assistance Grant Program is funded by the Ohio Department of Development, Office of Community Development. The program makes repairs necessary to keep a unit habitable by an individual or household to protect the integrity of the structure and assure the occupants' health and safety. Examples of home repairs include repair or replacement of heating systems, plumbing systems, hot water heaters, hazardous electrical systems, severely deteriorated roofs, walls, windows and doors. Examples of handicapped accessibility activities include limited rehabilitation to remove barriers, such as installation of ramps or modification of kitchens or bathrooms.

****Home Weatherization Assistance Program (HWAP)***

Aimed towards energy conservation, this program provides services to low-income residents with priority given to elderly and handicapped of Pickaway County to reduce their heating bills.

1. Complete inspection of heating unit
2. Reductions of air infiltration (stopping drafts)
3. Insulation of ceiling, walls and floors.

An evaluation of each house is done to determine which services based on federal guidelines and cost effectiveness, will be provided. Each applicant must meet income guidelines.

****Ohio Partners for Affordable Energy (OPAE)***

OPAE is a 501(c)(3) non-profit membership organization created to advocate for affordable energy policies for moderate and low-income Ohioans. OPAE conducts education and training programs for non-profit agencies. OPAE also manages energy efficiency assistance programs for low-income households, as well as provides consulting and research services to public and private organizations on a variety of energy-related topics. PICCA is able to come to your home and evaluate the energy consumption of your appliances. If they are greater than the guidelines provided by DP&L or AEP, we are able to replace them with a more energy efficient model. The

appliances we are able services provided by both Public Agencies and Private Providers.

***OPAE - Ohio Partners for Affordable Energy**

OPAE is a 501(c)(3) non-profit membership organization created to advocate for affordable energy policies for moderate and low-income Ohioans. OPAE conducts education and training programs for non-profit agencies. OPAE also manages energy efficiency assistance programs for low-income households, as well as provides consulting and research services to public and private organizations on a variety of energy-related

Sunday 10:00 am-5:00 pm

SERVICES: More than just a gym and swim! Multi recreational facility including gymnasium, pool, whirlpool, sauna, fully equipped fitness center, cybex stretch training equipment, free weights, walking/running track, and adult/youth locker rooms. The YMCA has a Family Activity Center which includes the following: indoor bouldering wall, indoor play space, half-court basketball area and fitness loft. The YMCA has developed a comprehensive program using the facilities listed for preschool age through senior citizen activities. Before and after school care for Kindergarten-6th grade and an all day preschool program are also available. We are an all inclusive organization of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility. Our purpose is to serve the whole community through programs expressing Judeo-Christian principles that build a healthy spirit, mind and body.

FEE: Call for information but financial assistance is available. We accept PFCC in our child care programs

OTHER DETAILS: YMCA before and after school Y Clubs: Circleville Elementary, Westfall Elementary, Scioto Elementary, Walnut Elementary and Ashville Elementary.

LIVESTRONG at the YMCA allows cancer survivors the opportunity to come to the Y to heal in a safe, loving and caring environment.

If you are at risk of type 2 diabetes, the YMCA's Diabetes Prevention program provides a supportive environment where you can work with others in a small group and learn how to adopt healthy eating and living habits to reduce your chances of developing the disease.

Other YMCA offerings include youth sports, gymnastics, swim lessons for all ages, active older adult classes and activities. We also have a Creative Arts Center that provides dance, theater and art classes for the community. The YMCA is for Youth Development, Healthy Living and Social Responsibility.

FAX: 614-753-4699

CONTACT: Rhonda Dickson, Director

WEBSITE: www.sst11.org

SERVICES: Ohio uses a tiered system of support—state, regional, district—to create a single unified system that can meaningfully build the capacity of every district to move all children to higher levels of academic achievement. The State Support Team Region 11 (SST 11) is one of Ohio's 16 regional SSTs. Using a connected set of tools to improve instructional practice and student performance on a continuing basis, SST 11 staff assists districts in the development of a unified system of education. This unified system builds the capacity of every district to move all students, including those with disabilities, to higher levels of performance. The reliance on data to determine appropriate actions of each district is integral to the success of Ohio's system of support. SST 11 works closely with the Ohio Department of Education's Center for School Improvement, Office for Exceptional Children, and the Office of Early Learning and School Readiness. SST 11 provides services and technical assistance to school districts, educational service centers (ESCs), community schools, early childhood centers, and families in seven central Ohio counties.

The focus areas of our work are:

- School Improvement,
- Special Education,
- Early Learning and School Readiness, and
- Family Engagement
